

OFFICIAL PROCEEDINGS  
FINANCE COMMITTEE

A meeting of the Finance Committee was held June 17, 2015 at 4:00 p.m. at Village Hall, 1202 4<sup>th</sup> Street, Orion, Illinois. Members present: Drucker and O'Leary. Absent: Newman.

Credit card bills were checked against the statement. All charges were deemed to be legitimate.

Clerk Sampson reported the Local Debt Recovery Program would most likely be active by August or September. The state is revamping its ID number system, which has delayed Orion's startup. Six past due water and sewer accounts totaling approximately \$1,973.00 have been submitted for collection.

The Finance Committee discussed the fact someone could be interested in purchasing The Factory Restaurant. An interested party read the information in the village's most recent quarterly newsletter regarding entrepreneurs and the availability of TIF, CIBP, and other incentives and contacted Village Hall staff. Other information was available that pointed in the direction someone might be pursuing purchase of the property.

There being no further business to come before the Committee, the meeting was adjourned.
